A. Scope

The following guidelines are provided to clarify the submittal requirements for approving traffic cones according to T-12-14 of the Traffic Commodity Specifications.

B. Procedure

When submitting a traffic cone to the Department, the following shall be included with the material:

- 1 of each type of traffic cone,
- The specific product brand name,
- Technical Data Sheet,
- The Manufacturer's self-certification letter stating each device meets the NCHRP 350 or MASH requirements for its respective category and test level and shall include a detailed drawing of the device,
- A signed letter stating the subject material will not be changed without written notification to the Department,
- Contact person's name, title, address, email address, and phone number, and
- Acknowledgement by Company (see next page).

The sample and submittal information shall be sent to:

Kelly Morse
Illinois Department of Transportation
Bureau of Materials & Physical Research
126 East Ash Street
Springfield, IL 62704-4766

When a sample is submitted, it will be tested for Heat Resistance, Cold Resistance, Dimensions, Color and Composition in accordance with T-12-14.

C. Recertification

Recertification of all Traffic cones is required every two years or when a change is made to the manufacturing process.
